

Backyard Bash Water Extravaganza Saturday at 6 pm

Dear Parents,

We are excited you let us hang out with your kids during VBS. As a celebration we will have a special event tomorrow night at 6 PM. The whole family is invited. We will have a program where the kids perform some of the songs they have learned. They will also get to show you some of what went on at VBS this week.

The celebration party will start right after the short program. We will have cookout style food this year. We will also have plenty of water activities like water balloon Home Run Derby, Slip and slide, sponge tag, and more. You will want to pack swimsuits (one piece please) or pack clothes kids don't mind getting wet. A change of clothes will be a must at the end and don't forget to pack a towel.

The whole family is invited to this exciting celebration. It will be a memorable experience and a way to close out our VBS week. We look forward to getting to know you and spending some more time with your kids. You will also hear about our children's ministry here at Brushy Fork. We would love for your kids to get involved.

**Thanks,
Brushy Fork Baptist Church**
